

*EXCLUSIVE PARENT TRAINING

PARENTING CHILDREN FROM HARD PLACES & TRAUMA

With over 25 years' experience working with children and families, Sally Guyer has amassed a wealth of knowledge and experiences. She is a dynamic speaker and makes learning fun. Her work is steeped in Attachment Theory and Trauma Informed Care principles.

She has presented on a variety of topics at national conferences like Wendy's Wonderful Kids National Summit hosted by the Dave Thomas Foundation, Child Welfare League of America, and the Head Start National Hispanic Institute.

Sally believes parents need the skills to parent securely attached children. Her unique training provides tools and action items parents can take away and begin to use within their own families.
